OPENING

Chairman Markey called the Public Session to order at 10:00 AM on Thursday, March 31, 2022, via Conference Bridge. Chairman Markey noted that the meeting is being live-streamed and recorded. There was a roll call of Board members, and a quorum confirmed. Chairman Markey noted that there is a closed session presentation by Queen Anne’s County to update the Board about the status of Next Generation 9-1-1 on the Eastern Shore.

Delegate Hornberger, who was scheduled to update the Board about House Bill 1286: Social Networks - Next Generation 9-1-1 and Public Service Announcements, was not able to attend due to demands of the House of Delegates.

APPROVAL OF MINUTES

The Board reviewed the minutes for the Public Session meeting held on February 24, 2022.

Mr. Souder made a motion to approve the minutes for February 24, 2022. Mr. Thomas seconded the motion. All were in favor and the motion carried.

FISCAL REPORT – SCOTT ROPER

The 9-1-1 Trust Fund balance carried over from Fiscal Year 2021 is $11,935,513.84. The collections for Fiscal Year 2022 are $33,812,219.89. The Board has made awards totaling $31,806,659.17. The available 9-1-1 Trust Fund balance for this month’s meeting is $13,941,074.56.

EXECUTIVE DIRECTOR’S REPORT – SCOTT ROPER

Mr. Roper reminded the Board about the closed session scheduled for April 13, 2022 at 10:00 AM to discuss issues affecting 9-1-1 service, and plans for staffing and consolidation. Mr. Roper mentioned a 9-1-1 service issue in Frederick County, which is under investigation. Mr. Roper provided an update to 9-1-1 affecting legislation under consideration by the General Assembly. Mr. Roper reminded everyone about the deadlines for increasing 9-1-1 fees. Any increase in fees must be reported to the Comptroller of Maryland not less than 60 days before the effective date.

SUBCOMMITTEE REPORTS

Policy and Standards Subcommittee – Steve Souder

The subcommittee is working on wireless outage notifications and non-service initialized wireless phones.

Training and Exercises – Bryan Ebling

Mr. Ebling stated the subcommittee has met with its ECC counterpart, and will be meeting on the first and third Thursdays of each month.

Cybersecurity – Randall Cunningham and Michael Block

Mr. Cunningham is working with Mr. Block to transition leadership of committee. The subcommittee is working on a tabletop exercise template, and recommendations about third party monitoring. The subcommittee would like to assemble an inventory of those using third party monitoring for cybersecurity, and will work with Mr. Roper to assemble a survey tool.

Technology Subcommittee – James Hamilton
Mr. Josh Jack reported that there was a joint meeting with the ECC. They received a presentation from Network Maryland, and discussed real-time texting (RTT).

**GIS – Julia Fischer**

Ms. Fischer reported that the Eastern Shore imagery was captured. The next steps are triangulation and validation. Counties should have the data by the end of the calendar year. She discussed a meeting with Motorola Solutions to discuss issues with JPEG 2000 imagery. She thanked Mr. Roper for quickly facilitating the meeting. Ms. Fischer also discussed waiting for MOUs from the Eastern Shore for Open Data GIS sharing.

**Verizon Update – Walt Puller**

Mr. Puller reported that there were no network affecting issues. The annual ALI true-up is underway.

**Motorola Solutions Update – Toni Dunne**

Ms. Dunne reported that there was a network monitoring issues that was non-service affecting. Howard County is live on the ESInet. Allegany County has completed its ALI migration, but voice cutover was delayed out of caution for an issue. Garrett County is scheduled to go live in the next quarter.

**Senator Cheryl Kagan**

Senator Kagan joined the meeting to provide a legislative update. The omnibus bill will be amended in the House of Delegates. The TDOS/DDOS bill has stalled. There will be a workgroup to study “swatting.” She provided an update to the workers’ compensation bill.

**AT&T Update – Taylor Thompkins**

AT&T reports that there were no network events since the last meeting. Eight counties are nearing completion, with 80 percent of the network completed. The GIS kickoff meetings have been held.

**MACo Emergency Communications Committee (ECC) – Ross Coates**

Mr. Coates reported the various subcommittees are working to consolidate their activities with the Board’s subcommittees.

**Mission Critical Partners Update - Josh Jack**

Mission Critical Partners’ updates were provided to Board members ahead of the meeting, with many items covered during subcommittee reports. Baltimore City has issued a RFI for Next Generation 9-1-1 services. The jurisdictions of the National Capital Region are live with Next Generation 9-1-1.

**Presentation – GIS**

Julia Fischer, JB Churchill and Dawn Baldridge presented an overview of LIDAR capture, and its application to RAY BAUMS Act requirements, and Z-Axis location technology.
