Chairman Myers called the Public Session to order at 10:00 AM on Thursday, October 29, 2020, via conference bridge. Chairman Myers noted that this is the first meeting of the newly renamed Maryland 9-1-1 Board. Chairman Myers stated that the Board members have received the information ahead of the meeting. He also noted that the meeting is being live-streamed and recorded. There is one request for a project to be heard in closed session, which will be done at the conclusion of the public agenda. A rollcall of participants was held, and a quorum was confirmed.

APPROVAL OF MINUTES

The Board reviewed the minutes for the Public Session meetings held on September 24, 2020.

Mr. Souder made a motion to approve the minutes for September 24, 2020. Captain Brillman seconded the motion. All were in favor and the motion carried.

FISCAL REPORT – SCOTT ROPER

Mr. Roper advised the Board that the 9-1-1 Board total FY 21 award expenditures as of 10/29/2020 are $13,383,570.00. The Board’s FY 2020 unencumbered carry-over is $17,772,083.11, and its estimated collections are $27,802,295.39. The Board’s FY 21 Trust Fund cash balance as of 10/29/2020 is $14,418,725.39.

EXECUTIVE DIRECTOR’S REPORT – SCOTT ROPER

Mr. Roper updated the Board on the implementation of the changes required by legislation. Mr. Roper stated the county PSAP inspection process is underway. It is a modified inspection being done by teleconference to avoid any issues with COVID-19 and to conform with the Governor’s “safer at home” requirements.

Chairman Myers appended to the report, stating that the Commission to Advance Next Generation 9-1-1 Across Maryland held a meeting recently to discuss system affecting events.

SUBCOMMITTEE REPORTS

Policy and Standards Subcommittee – Steve Souder

The Policy and Standards Subcommittee continues to meet twice monthly to implement the Board’s legislative requirements.

Board Policy 2-204: Security of PSAP Records was provided to the Board. Chairman Myers offered two amendments to the policy, which were accepted. Ms. Greentree made a motion to approve Policy 2-204, as amended. Mr. O’Donoghue seconded the motion. All were in favor and the motion carried.

a motion to approve Policy 1-104. Mr. Ebling seconded the motion. All were in favor and the motion carried.

**Training and Exercises – Bryan Ebling**

The subcommittee will be hosting regular meetings on the first and third Mondays of the month. The subcommittee has had a facilitated discussion to prioritize its work.

**Cybersecurity – Randall Cunningham**

Cybersecurity Subcommittee will be starting to have meetings again with the assistance of MCP. Mr. Cunningham will be reaching out to all subcommittee members to make sure they are still interested in participating, and ask if any PSAP has employees in their county interested in participating to contact Mr. Cunningham.

**GIS – Julia Fischer**

PSAP boundaries have been approved and distributed to vendors, and are available for public download. DoIT virtual servers are up and running for validation and conversion of county PSAP GIS data for Next Generation 9-1-1.

**Technology Subcommittee – Josh Jack**

Mr. James Hamilton of Worcester County has been named as the new chair of the Technology Subcommittee. Mr. Jack will be setting up a meeting schedule and engaging members to join the subcommittee.

Senator Kagan was recognized by Chairman Myers, who then provided updates from the Commission to Advance Next Generation 9-1-1 Across Maryland.

**Verizon Update – Walt Puller**

No outages to report on. Verizon is working with counties on P.01 counts for NG911 providers. No changes to Verizon’s operational status, and Verizon will continue to work remotely through the end of the year. Chairman Myers requested updates to the county tabletop exercises, escalation lists, and Verizon’s network reliability reporting to FCC.

**MACo Emergency Communications Committee – Ross Coates**

The ECC is examining:
- funding and budgets;
- ESI.net coordination;
- cloud-based reporting and exchange hub webinar for data sharing; and
- cooperative procurement opportunities.
