RE: Report Required by Public Safety Article §1-307 (MSAR #14840 & #14260)

Dear Governor Moore and Distinguished Members:

Pursuant to the Public Safety Article §1-307(a), the Maryland 9-1-1 Board respectfully submits the FY23 annual report on the 9-1-1 Trust Fund and certain activities of the Maryland 9-1-1 Board. Baltimore City did not submit their required annual audit, which is noted on page 15. However, they hired an independent auditor to complete the audit, which will be submitted as a supplementary report once received.

If you have any questions, please contact Maryland 9-1-1 Board Executive Director Christy Collins at 410-702-3600.

Sincerely,

A handwritten signature in blue ink that reads "JACK MARKEY". The signature is stylized, with the first name "JACK" in a more cursive script and the last name "MARKEY" in a slightly more formal, blocky script.

John E. "Jack" Markey Chairman
