

Maryland Food System Resiliency Council

Environment and Production Subcommittee

Meeting Agenda

Mar 17, 2022 1:00pm - 2:00pm

1:00 pm: Welcome

1:05 pm: Legislative update

1:10 pm: Brief review of the [“Existing Resources” document](#)

1:15 pm: Discussion of parking lot/”sprint” project ideas

1:55 pm: Next steps and adjourn

Objectives (OB) and Intended Outcomes (IO):

OB1: Welcome new and returning members

IO1: Reacquaint members and improve group cohesiveness

OB2: Receive an update on legislation related to E&P work

IO2: Monitor the progress and implementation of food policy

OB3: Receive an update on the collaborative “Existing Resources” document

IO3: Identify any remaining gaps and decide how this document will be distributed or used moving forward

OB4: Discuss remaining short-term goals the group wishes to tackle

IO4a: Identify short-term “sprint” projects to complete or to make progress on before the May FSRC meeting

IO4b: Reach group consensus on an agenda or task list for Q1 2022

Subcommittee Assigned Areas of Focus

Environment and Production
Increasing the quality and quantity of production as well as aggregation, marketing, and distribution of local food in urban, suburban, and rural settings
Increasing procurement of local food through schools, universities and other institutions
Creating additional market opportunities for Maryland food businesses
Expanding access to small scale manufacturing and food production infrastructure
Reducing food waste, increasing recycling, and encouraging other relevant environmental impacts
