How do I submit my organization's RPA once I have a Grants Portal account?

# Start

- Log into your Grants Portal Account. You can follow this link to get to the login page. <https://grantee.fema.gov/>
- Once logged in, go to your “Organization Profile” from the pull down menu on the left of your screen.

The screenshot shows the Grants Portal interface. At the top, there is a header with the "Grants Portal" logo and name. Below the header, there is a navigation menu on the left side with the following items: Dashboard, My Organization (Maryland Emergency Management Agency (000-UZ9ES-06)), Organization Profile, Organization Personnel, Applicant Event Profiles, Exploratory Calls, Recovery Scoping Meetings, Events, Projects, Damages, and Work Order Requests. A yellow arrow points to the "Organization Profile" item in the menu. In the center of the screen, there is a green message box that reads: "Your dashboard has no tiles! The Dashboard is a great place to put the Grants Portal data that you care about the most. The Dashboard is made up of tiles that display the most important info about a particular item or set of items in the system. Any time you find data that you want to keep track of, click '☆' at the top of the page or section - a tile will be created for that particular data."

- This will bring you to your “Organizational Profile. Here you can view and edit your organization’s information and submit RPAs.
- Scroll down until you find the “applicant Even Profiles” section, and press the button that says “Request Public Assistance”.
